CHAIRMAN'S REVIEW

I am pleased to present the annual report of the Company for the year ended December 31, 2022 to our valued shareholders. The Company, as well as the Board of Directors, have shown good performance during the current year.

The Company has earned a profit after tax of Rs. 3.136 billion as against a profit of Rs. 1.049 billion earned during the previous year. The profit in current year has increased by Rs. 2.087 billion, because in previous year, the Company did not issue Capacity Purchase Price invoices amounting to Rs. 2.429 billion started from 05-05-21 to 07-10-21, pursuant to PPA Amendment Agreement, signed with Central Power Purchasing Agency (Guarantee) Limited in April 2021.

I would like to appreciate overall performance of the Board during this year despite multiple challenges and tough economic conditions prevalent in the Country. They have provided strategic directions to the management and always remained available for guidance. The Board has formed various Committees, like Audit Committee and Human Resource Committee. Through Audit Committee the Board, reviewed the internal controls and financial statements and ensured that the accounts fairly represent the financial position of the Company. While the HR Committee overviews the HR policy framework and recommends selection and compensation of senior management team.

To evaluate the performance of the Board and its Committees, the Board has put in place mechanism for annual evaluation of the performance of the Board of Directors. Accordingly, the Board has completed its annual self-evaluation for the year 2022 and I am pleased to report that the overall performance benchmarked on the basis of set criteria remained satisfactory.

Further, I am pleased to inform that the composition of the Board depicts reasonable balance of executive and non-executive Directors including female and independent Directors. This combination, possess the requisite skills, core competencies and industry knowledge to lead the Company, whereby all Board members are aware of the high level of ethical and professional standards laid down in Vision & Mission Statements of the Company.

The Board reviews the quality and appropriateness of financial statements of the Company, reporting and transparency of disclosures, Company's accounting policies, corporate objective plans, budgets and other reports. The Board has also framed the Code of Conduct which defines requisite behavior and has been disseminated throughout the Company. Adequate controls and robust systems are in place to ensure effective control environment so compliance of best policies of Corporate Governance are achieved.

Our Social Responsibility continues to serve and assist the needy in the vicinity of our plant. We continue to provide health care and assistance to the schools in the vicinity of our plants. Our sponsored hospitals bring much needed care and relief in the area, and our sponsored school scholarships continue to support deserving students.

I would like to take this opportunity to express my appreciation for the untiring efforts of our employees and express gratitude to all the stakeholders for their continued cooperation, trust and support.

چیرمین کا جائزہ

میں 31 دسمبر، 2022ء کو ختم ہونے والے سال کے لئے، اپنے قابل قدر شیئر ہولڈرز کو کمپنی کی سالانہ رپورٹ پیش کرتے ہوئے خوشی محسوس کرتا ہوں۔ موجودہ سال کے دوران کمپنی اور بورڈ آف ڈائریکٹرز نے بہتر کارکردگی کا مظاہرہ کیا ہے۔

کمپنی گزشتہ سال 1.049 بلین روپے منافع کے برعکس موجودہ سال میں 3.136 بلین روپے کا بعد از ٹیکس منافع ہوا۔ موجودہ سال میں منافع 2.087 بلین روپے تک زیادہ ہوا کیونکہ گزشتہ سال میں، کمپنی کی طرف سے اپریل 2021 میں سینٹرل پاور پراجیکٹ ایجنسی (گارٹی) لمیٹڈ کے ساتھ پی پی اے ترمیمی معاہدے کے مطابق 05-05-21 سے 07-10-21 تک 2.429 بلین روپے کی کمپنسی پراجیکٹ پرائس انوائسز جاری نہیں کی گئیں۔

میں متعدد چیلنجوں اور ملک میں شدید اقتصادی حالات کے باوجود اس مدت کے دوران بورڈ کی مجموعی کارکردگی کو سراہتا ہوں۔ انہوں نے انتظامیہ کو اسٹرٹیجک ہدایات فراہم کیں اور رہنمائی کے لیے ہمیشہ موجود رہے۔ بورڈ نے مختلف کمیٹیاں جیسے کہ آڈٹ کمیٹی اور ہیومن ریسورس کمیٹی تشکیل دی ہیں۔ آڈٹ کمیٹی کے ذریعے بورڈ نے اندرونی کنٹرولز اور مالیاتی گوشواروں کا جائزہ لیا اور اس بات کو یقینی بنایا کہ اکاؤنٹس کمپنی کی مالی حالت کی منصفانہ نمائندگی کریں۔ جبکہ HR کمیٹی HR پالیسی فریم ورک کا جائزہ لیتی ہے اور سینئر مینجمنٹ ٹیم کے انتخاب اور معاوضہ کی سفارش کرتی ہے۔

بورڈ اور اس کی کمیٹیوں کی کارکردگی کا جائزہ لینے کے لیے، بورڈ نے بورڈ آف ڈائریکٹرز کی کارکردگی کی سالانہ تشخیص کے لیے ایک طریقہ کار وضع کیا ہے۔ اسی مناسبت سے، بورڈ نے سال 2022 کے لیے اپنی سالانہ خود تشخیص مکمل کر لی ہے اور مجھے یہ بتاتے ہوئے خوشی ہو رہی ہے کہ مقررہ معیار کی بنیاد پر مجموعی کارکردگی کا معیار تسلی بخش رہا۔

مزید، مجھے یہ بتاتے ہوئے خوشی ہو رہی ہے کہ بورڈ کی تشکیل میں خاتون اور آزاد ڈائریکٹر سمیت ایگزیکٹو اور نان ایگزیکٹو ڈائریکٹرز کا معقول توازن دکھایا گیا ہے، جو کمپنی کی قیادت کرنے کے لیے مطلوبہ مہارتوں، بنیادی اہلیتوں اور صنعت کا علم رکھتے ہیں، جس کے تحت بورڈ کے تمام اراکین کمپنی کے ہمارے وزن اور مشن کے بیانات میں دیئے گئے اعلیٰ درجے کے اخلاقی اور پیشہ ورانہ معیارات سے واقف ہیں۔

بورڈ کمپنی کے مالی گوشواروں کے معیار اور موزونیت، انکشافات کی رپورٹنگ اور شفافیت، کمپنی کی اکاؤنٹنگ پالیسیوں، کارپوریٹ مقاصد کے منصوبوں، بجٹ اور دیگر رپورٹس کا جائزہ لیتا ہے۔ بورڈ نے ضابطہء اخلاق بھی وضع کیا ہے جو مطلوبہ رویہ کی وضاحت کرتا ہے اور اسے پوری کمپنی میں شائع کیا گیا ہے۔ مؤثر کنٹرول ماحول کو یقینی بنانے کے لیے مناسب کنٹرول اور مضبوط نظام موجود ہیں تاکہ کارپوریٹ گورننس کی بہترین پالیسیوں کی تعمیل ہو سکے۔

ہماری سماجی ذمہ داری کے طور پر ہم اپنے پلانٹ کے آس پاس ضرورت مندوں کی خدمت اور مدد کر رہے ہیں۔ ہم اپنے پلانٹس کے آس پاس کے اسکولوں کو صحت کی دیکھ بھال اور مدد فراہم کرتے رہتے ہیں۔ ہمارے سپانسر شدہ ہسپتال علاقے میں بہت زیادہ ضروری دیکھ بھال اور آسانیاں دیتے ہیں، اور ہمارے سپانسر شدہ سکول وظائف حق دار طلباء کی مدد کرتے رہتے ہیں۔

میں اپنے عملے کے اراکان کی انتھک کوششوں کو سراہتا ہوں اور تمام اسٹیک ہولڈرز کے مسلسل تعاون، اعتماد اور مدد کا شکریہ ادا کرتا ہوں۔

لاہور: 24 فروری 2023ء

DIRECTORS' REPORT

The Directors are pleased to present the Annual Report and the audited financial statements of the Company for the year ended December 31, 2022 together with the auditors' report thereon.

GENERAL

Pakgen Power Limited ("the Company") was incorporated in Pakistan on 22 June 1995 under the repealed Companies Ordinance, 1984 (now Companies Act 2017). The shares of the Company are listed on the Pakistan Stock Exchange. The principal activities of the Company are to own, operate and maintain an oil-fired power station ("the Complex") with a dependable capacity of 350 MW against a gross capacity of 365 MW in Mehmood Kot, Muzaffargarh, Punjab, Pakistan. The Sole purchaser of the power is Central Power Purchasing Agency (Guarantee) Limited (CPPA-G).

FINANCE AND SIGNIFICANT EVENTS

We report that during the year 2022 the total sales revenue of the Company was Rupees 45.833 billion (2021: Rupees 19.901 billion) and operating costs were Rupees 42.359 billion (2021: Rupees 18.237 billion), resulting in gross profit of Rupees 3.474 billion (2021: Rupees 1.664 billion). The Company earned a profit after tax of Rupees 3.136 billion resulting in earnings per share of Rupees 8.43 as compared to a net profit of Rupees 1.049 billion and earnings per share of Rupees 2.82 last year. The profit in current year has increased because in comparative year, the

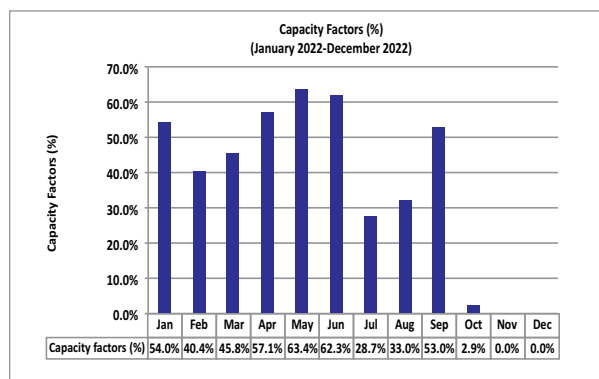

Company did not issue Capacity Purchase Price invoices amounting to Rs.2.429 billion started from 05-05-21 to 07-10-21, pursuant to PPA Amendment signed as per note 1.2 of the preceding audited annual published financial statements of the Company for the year ended 31 December 2021.

During the period, the State Bank of Pakistan ('SBP') issued various directions whereby certain restrictions were imposed on imports of spare parts and consumable items due to scarcity of foreign exchange and difficult economic condition in the country. The Company has raised the matter with Power Purchaser and Private Power & Infrastructure Board ('PPIB') for resolution, however the Company continues to face challenges of timely availability of the required foreign exchange for import of parts for maintenances.

Our sole customer, CPPA-G remains unable to meet its obligations in accordance with the Power Purchase Agreement (PPA) which are secured under a sovereign guarantee of Government of Pakistan. As on 31 December 2022, an amount of Rupees 14.717 billion was outstanding against CPPA-G.

OPERATIONS AND SIGNIFICANT EVENTS

In response to load demanded by CPPA-G, the Pakgen plant operated at capacity factor of 36.7% with a load factor of 78.3% and availability of 95.4% and dispatched 1,123.721 GWh of electricity during the year.

Due to induction of new power generation plants based on hydel energy, coal, renewable and RLNG at a lower price, it is expected that Pakgen will be dispatched in peak demand seasons, in case of interruption in supply of RLNG or in low water months only. This will help Company minimize its fuel losses.

ANNUAL CAPACITY TEST

As per the requirement of PPA, the Company conducted its Annual Capacity Test on February 10, 2022 whereby it successfully maintained the capacity of 350 MW.

PERFORMANCE IMPROVEMENT

Continuous efforts are being made to improve the plant performance. Moreover, in-house focus for optimized operation and maintenance remained in place.

CREDIT RATINGS

The Company has continuously been receiving "AA" (Double A) as long-term rating and "A1" (A One) as short-term rating by PACRA. These ratings reflect the Company's financial management strength and denote very low expectation of credit risk emanating from a very strong capacity for timely payment of financial commitments.

INTERNAL AUDIT AND CONTROL

The Board of Directors has set up an independent audit function headed by a qualified person reporting to the Audit

Committee. The scope of internal auditing within the Company is clearly defined which broadly involves review and evaluation of its' internal control system.

ENVIRONMENT HEALTH AND SAFETY

Pakgen Power Limited is proud of its commitment to protecting the environment and enhancing the health and safety of its employees. During the year, there was no time lost accident due to any injury.

CORPORATE SOCIAL RESPONSIBILITY (CSR) AND COMMUNITY WELFARE

ڈائریکٹر رپورٹ پاک جن پاور لمیٹڈ

ڈائریکٹر 31 دسمبر 2022ء کو ختم ہونے والے سال کے لئے کمپنی کی سالانہ رپورٹ اور نظر ثانی شدہ مالی حسابات معدان پر آڈیٹر کی رپورٹ پیش کرتے ہوئے خوش محسوس کر رہے ہیں۔

عام معلومات

پاک جن پاور لمیٹڈ ("کمپنی") منسوخ شدہ کمپنیز آرڈیننس، 1984 (اب کمپنیز ایکٹ 2017ء) کے تحت 22 جون 1995ء کو پاکستان میں قائم ہوئی۔ کمپنی کے حصص پاکستان اسٹاک ایکسچینج میں درج ہیں۔ کمپنی کی اہم سرگرمیاں، محمود کوٹ، مظفر گڑھ، پنجاب، پاکستان میں 365 میگا واٹ کی مجموعی گنجائش کے مقابل 350 میگا واٹ کی ایک قابل اعتماد صلاحیت کے ساتھ تیل پر چلنے والا ایک بجلی گھر ("دی کمپلیکس") کا مالک، چلانا اور برقرار رکھنا ہیں۔ بجلی کا واحد خریدار سنٹرل پاور پرچیزنگ ایجنسی (گارنٹی) لمیٹڈ (CPPA-G) ہے۔

مالی نتائج اور اہم واقعات

ہم بیان کرتے ہیں کہ سال 2022 کے دوران کمپنی کی فروخت کی کل آمدنی 45.833 بلین روپے (2021: 19.901 بلین روپے) اور آپریٹنگ اخراجات 42.359 بلین روپے (2021: 18.237 بلین روپے) جس کے نتیجے میں 3.474 بلین روپے کا مجموعی منافع (2021: 1.664 بلین روپے) حاصل ہوا تھا۔ کمپنی نے گزشتہ سال 1.049 بلین روپے خالص منافع اور 2.82 روپے فی شیئر آمدنی کے مقابلے میں موجودہ سال 3.136 بلین روپے بعد از ٹیکس منافع کمایا جس کے نتیجے میں 8.43 روپے فی شیئر آمدنی حاصل ہوئی۔ رواں سال منافع میں اضافہ ہوا کیونکہ تقابلی سال میں، کمپنی نے 31 دسمبر 2021 کو ختم ہونے والے سال کے لئے کمپنی کے گزشتہ نظر ثانی شدہ سالانہ شائع کردہ مالی گوشواروں کے نوٹ 1.2 کے مطابق پی پی اے ترمیمی معاہدے کی پیروی میں، 21-05-2021 سے 21-10-2021 تک 2.429 بلین روپے کی کیپیٹیٹی پر چیز پرائس انوائسز جاری نہیں کی تھیں۔

اس عرصے کے دوران، اسٹیٹ بینک آف پاکستان ('SBP') نے مختلف ہدایات جاری کیں جن کے تحت غیر ملکی زرمبادلہ کی کمی اور ملک میں مشکل معاشی حالت کی وجہ سے اسپر پارٹس اور قابل استعمال اشیاء کی درآمد پر کچھ پابندیاں عائد کی گئیں۔ کمپنی نے اس معاملے کو پاور پرچیز راور پرائیویٹ پاور اینڈ انفراسٹرکچر بورڈ (PPIB) کے ہاں حل کے لیے اٹھایا ہے، تاہم کمپنی کو دیکھ بھال کے لیے پوزوں کی درآمد کے لیے مطلوبہ زرمبادلہ کی بروقت دستیابی کی مشکلات کا سامنا ہے۔

ہمارا واحد صارف، CPPA-G بجلی کی خریداری کے معاہدے (PPA) جو حکومت پاکستان کی ضمانت کے تحت حاصل کیا گیا ہے مطابق اپنی ذمہ داریاں پوری کرنے میں ناکام رہا ہے۔ 31 دسمبر 2022 کو، CPPA-G کی طرف 14.717 بلین روپے کی رقم بھایا واجب الادا ہے۔

آپریٹنگ اور اہم واقعات:

سال کے دوران CPPA-G کی طرف سے مطلوبہ لوڈ کے جواب میں پاک جن پلانٹ 78.3 فیصد لوڈ فیکٹر اور 95.4 فیصد کی دستیابی کے ساتھ 36.7 فیصد کے صلاحیتی عنصر پر چلایا گیا اور 1,123.721 GWh بجلی ترسیل کی گئی۔

کم قیمت میں ہائیڈل انرجی، کوئلہ، قابل تجدید اور آرائل این جی پرائیویٹ پاور جنریشن پلانٹس کی انڈکشن کی بدولت یہ امید کی جاتی ہے کہ بہت زیادہ طلب کے موسم میں، آرائل این جی کی عدم فراہمی کی صورت یا پانی کی کمی کے مہینوں میں پاک جن سے بجلی کی ترسیل کی توقع ہے۔ یہ کمپنی کے فیول کے نقصانات کو کم کرنے میں مدد کرے گا۔

سالانہ صلاحیتی ٹیسٹ

PPA کے تقاضہ کے مطابق، کمپنی نے 10 فروری 2022 کو اپنے سالانہ صلاحیتی ٹیسٹ کا انعقاد کیا جہاں کامیابی سے 350MW کی کیپیٹیٹی کو برقرار رکھا ہے۔

کارکردگی میں بہتری

پلانٹ کی کارکردگی کو بہتر بنانے کے لئے مسلسل کوششیں جاری ہیں۔ مزید برآں، زیادہ سے زیادہ آپریشن اور مینٹیننس پرمکوز توجہ کو برقرار رکھا گیا ہے۔

کریڈٹ ریٹنگز

کمپنی PACRA سے مسلسل "AA" (ڈبل اے) طویل مدتی ریٹنگ اور "A1" (اے ون) مختصر مدتی ریٹنگ وصول کر رہی ہے۔ یہ ریٹنگ کمپنی کے مالی انتظامات کی مضبوطی کی عکاسی اور مالیاتی وعدوں کی بروقت ادائیگی کے لئے ایک بہت مضبوط صلاحیت سے کریڈٹ خطرات کے بہت کم امکان کو ظاہر کرتی ہے۔

اندرونی آڈٹ اور کنٹرول

بورڈ آف ڈائریکٹرز نے آڈٹ کمیٹی کو رپورٹ کرنے والے کوالیفائیڈ فرد کی سربراہی میں ایک آزاد آڈٹ فنکشن قائم کیا ہے۔ کمپنی کے اندر اندرونی آڈٹنگ کا اسکوپ واضح بیان کیا گیا ہے جو اسکے اندرونی کنٹرول سسٹم کے جائزہ اور تشخیص میں مشغول ہے۔

ماحول صحت اور حفاظت

ک جن پاور لمیٹڈ کو ماحول کے تحفظ اور اپنے ملازمین کی صحت اور حفاظت کو بہتر بنانے کے عزم پر فخر حاصل ہے۔ سال کے دوران کسی زخم کے باعث وقت کا کوئی ضیاع نہیں ہوا ہے۔

کارپوریٹ سماجی ذمہ داری (CSR) اور کمیونٹی ویلفیئر

قیم کے آغاز سے کارپوریٹ سماجی ذمہ داری (CSR) پروگرام نہ صرف کمپنی کے کاروبار کا ایک لازمی حصہ ہے۔ بلکہ یہ کمپنی کی ثقافت کا حصہ ہے اور تمام ملازمین اس کا پختہ عزم ظاہر کرتے ہیں۔ کمپنی غربت اور بیروزگاری کو ختم کرنے کے لئے کوشاں لوگوں کو بااختیار بنانے کے عمل کو تیز کرنے کی کوشش کرتی ہے۔

کمپنی کی طرف سے چند CSR اقدامات میں شامل ہیں:

- کمپنی ایک بنیادی ہیلتھ یونٹ چلا رہی ہے جو مقامی کمیونٹی کے لئے ہنگامی سہولیات اور تشخیص کی لیبارٹری سے مکمل طور پر پلپس کیا گیا ہے۔ اس کے علاوہ کمپنی سالانہ بنیاد پر مقامی کمیونٹی کے لئے ایل آر بی ٹی کے تعاون سے خصوصی آئی اور سکن ڈیزیز کمپ کا بھی انتظام کرتی ہے۔
- کمپنی مقامی کمیونٹی کے مستحق طلباء کو ان کی پیشہ ورانہ تعلیم کے لئے سکالرشپس دے رہی ہے۔
- بارشوں کے باعث ارد گرد کے تباہ شدہ گھروں کی مرمت کروائی جاتی ہے۔
- ارد گرد کے علاقوں میں وسیع پیمانے پر درختوں کی شجرکاری کی جاتی ہے۔

کوڈ آف کارپوریٹ گورننس 2019 کی تعمیل

ڈائریکٹرز فہرستی کمپنیز (کوڈ آف کارپوریٹ گورننس) ریگولیشنز، 2019 اور پاکستان اسٹاک ایکسچینج کی رول بک کی شرائط کی تعمیل اور اچھے کارپوریٹ گورننس کے لئے پُر عزم ہیں۔

CCG ریگولیشنز، 2019ء کی تعمیل کا بیان منسلک ہے۔

کارپوریٹ اور مالیاتی رپورٹنگ فریم ورک

کمپنی کی انتظامیہ سیکورٹیز اینڈ ایکسچینج کمیشن آف پاکستان (ایس ای سی پی) کی طرف سے جاری کردہ کارپوریٹ گورننس کے ضابطہء اخلاق اوکٹینیز آرڈیننس کی دفعات کی منظوری کے مطابق اپنی ذمہ داریوں سے پوری طرح آگاہ ہے۔ حسب ذیل تبصرے کارپوریٹ گورننس اور مسلسل بہتری کے اعلیٰ معیارات ادارے کی وابستگی کا اعتراف ہے۔

- کمپنی کی انتظامیہ کی طرف سے تیار کردہ، مالیاتی حسابات، اس کے امور، آپریشنز کے نتائج، نقدی بہاؤ اور ایکویٹی میں تبدیلیوں کو منصفانہ طور پر ظاہر کرتے ہیں۔
- کمپنی کے مکمل کھاتہ جات بنائے گئے ہیں۔
- مالی حسابات کی تیاری میں مناسب اکاؤنٹنگ پالیسیوں کو تسلسل کے ساتھ لاگو کیا گیا ہے اور اکاؤنٹنگ کے تخمینہ جات مناسب اور دانشمندانہ فیصلوں پر مبنی

- مالی حسابات کی تیاری میں پاکستان میں لاگو بین الاقوامی مالیاتی رپورٹنگ کے معیارات (IFRS) کی پیروی کی گئی ہے، اور کسی بھی انحراف کا موزوں انکشاف اور وضاحت کی گئی ہے۔
- اندرونی کنٹرول کے نظام کا ڈیزائن مستحکم ہے اور اسکی موثر طریقے سے عملدرآمد اور نگرانی کی جاتی ہے۔
- کمپنی کے گونگ کنسرن ہونے کی صلاحیت پر کوئی قابل ذکر شکوک و شبہات نہیں ہیں۔
- بورڈ کے تمام ڈائریکٹرز کارپوریٹ باڈیز کے ڈائریکٹرز کے طور پر اپنے فرائض اور ذمہ داریوں سے بخوبی واقف ہیں۔ ڈائریکٹرز کو اورینٹیشن کورسز کے ذریعے ان کے فرائض اور ذمہ داریوں کے بارے میں آگاہ کیا گیا تھا۔
- گذشتہ چھ سالوں کا کلیدی اور مالی اعداد و شمار رپورٹ کے ہمراہ منسلک ہے۔
- 31 دسمبر 2022 کو ختم ہونے والے سال کے مطابق پراویڈنٹ فنڈ اور گریجویٹ اسکیم میں سرمایہ کاری کی قدر حسب ذیل تھی:

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Pakgen Power Limited

Review Report on the Statement of Compliance contained in Listed Companies (Code of Corporate Governance) Regulations, 2019

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of Pakgen Power Limited (the Company) for the year ended 31 December 2022 in accordance with the requirements of regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended 31 December 2022.

FINANCIAL STATEMENTS

For the Year Ended December 31, 2022

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF PAKGEN POWER LIMITED

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Opinion

We have audited the annexed financial statements of Pakgen Power Limited (the Company), which comprise the statement of financial position as at 31 December 2022, and the statement of profit or loss and other comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at 31 December 2022 and of the profit and other comprehensive income, the changes in equity and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the Key audit matter:

Sr. No.	Key audit matter	How the matter was addressed in our audit
	<p>Contingencies</p> <p>As disclosed in note 12.1 to the accompanying financial statements, the Company has contingent liabilities in respect of various matters, which are pending adjudication before respective authorities and courts of law.</p> <p>Contingencies require management to make judgments and estimates in relation to the interpretation of laws, statutory rules and regulations, and the probability of outcome and financial impact, if any, on the Company for disclosure and recognition and measurement of any provisions that may be required against such contingencies in accordance with applicable financial reporting standards.</p> <p>Due to significance of amounts involved, uncertainties with respect to the outcome of matters and use of significant management judgments and estimates to assess the same including related financial impacts, we considered this as a key audit matter.</p> <p>For further information on contingencies, refer to the following:</p> <ul style="list-style-type: none"> - Summary of significant accounting policies, Contingent liabilities (note 2.1 (C) and note 2.19 to the financial statements). - Contingencies (note 12.1) to the financial statements. 	<p>Our audit procedures among others included obtaining an understanding of the process and controls on this area relevant to our audit. Further, we have:</p> <ul style="list-style-type: none"> • Obtained and reviewed detail of the pending matters and discussed the same with the Company's management; • Reviewed the correspondence of the Company with the relevant authorities, tax and legal advisors, including judgments or orders passed by the competent authorities in relation to the issues involved or matters which have similarities with the issues involved; • Obtained and reviewed confirmations from the Company's external tax and legal advisors for their views on the probable outcome of the pending tax cases and other contingencies. • Involved internal tax professionals to assess reasonability of management's conclusions on such pending matters; • Reviewed and evaluated the adequacy of disclosures made in respect of such contingencies in accordance with the requirements of the financial reporting standards as applicable in Pakistan.

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or

otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) zakat deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980), was deducted by the Company and deposited in the Central Zakat Fund established under section 7 of that Ordinance.

The engagement partner on the audit resulting in this independent auditor's report is Atif Anjum.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2022

1. THE COMPANY AND ITS OPERATIONS

1.1 Pakgen Power Limited ("the Company") was incorporated in Pakistan on 22 June 1995 under the repealed Companies Ordinance, 1984 (now Companies Act, 2017). The registered office of the Company is situated at 53-A, Lawrence Road, Lahore. Head office of the Company is situated at 1-B, Aziz Avenue, Canal Road, Gulberg V, Lahore. The ordinary shares of the Company are listed on Pakistan Stock Exchange Limited. The principal activities of the Company are to own, operate and maintain a fuel fired power station ("the Complex") having gross capacity of 365 MW in Mehmood Kot, Muzaffargarh, Punjab, Pakistan. The Company has a Power Purchase Agreement (PPA) with its sole customer, Central Power Purchasing Agency (Guarantee) Limited (CPPA-G) for 30 years which commenced from 01 February 1998.

1.2 Resolution of outstanding matters relating to International Chamber of Commerce (ICC) award / Expert's determination

Under the terms and conditions mentioned in PPA Amendment Agreement dated 20 April 2021, the Company and CPPA-G (the "Parties") have agreed to resolve the disputes relating to International Chamber of Commerce (ICC) award / Expert's determination as fully explained in note 1.2(b) to the preceding audited annual published financial statements of the Company for the year ended 31 December 2021. On 29 June 2022, the Parties filed a joint application in Honourable Lahore High Court, Lahore to withdraw all pending litigations under the terms of above-mentioned PPA Amendment Agreement. On 04 July 2022, the Honourable Lahore High Court, Lahore sanctioned the joint application to withdraw all pending litigations.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated:

2.1 Basis of preparation

a) Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017.

Where provisions of and directives issued under the Companies Act, 2017 differ from the IFRSs, the provisions of and directives issued under the Companies Act, 2017 have been followed.

b) Accounting convention

These financial statements have been prepared under the historical cost convention except as otherwise stated in the respective accounting policies.

c) Critical accounting estimates and judgments

The preparation of financial statements in conformity with approved accounting standards requires the use of certain critical accounting estimates. It also requires the management to exercise its judgment in the process of applying the Company's

accounting policies. Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The areas where various assumptions and estimates are significant to the Company's financial statements or where judgments were exercised in application of accounting policies are as follows:

Taxation

In making the estimate for income tax payable by the Company, the Company takes into account the applicable tax laws and the decisions by appellate authorities on certain issues in the past.

Useful lives, pattern of economic benefits and impairment

Estimates with respect to residual values and useful lives and pattern of flow of economic benefits are based on the analysis of the management of the Company. Further, the Company reviews the value of the assets for possible impairments on an annual basis. If such indication exists assets recoverable amount is estimated in order to determine the extent of impairment loss, if any. Any change in the estimates in the future might affect the carrying amount of respective item of property, plant and equipment, with a corresponding effect on the depreciation charge and impairment.

Provision for obsolescence of stores, spare parts and other consumables

Provision for obsolescence of items of stores, spare parts and other consumables is made on the basis of management's estimate of net realizable value and ageing analysis prepared on an item-by-item basis.

Contingencies

The Company reviews the status of all pending litigations and claims against the Company. Based on the judgment and the advice of the legal advisors for the estimated financial outcome, appropriate disclosure or provision is made. The actual outcome of these litigations and claims can have an effect on the carrying amounts of the liabilities recognized at the statement of financial position date.

Revenue from contract with customer involving sale of electricity (Note 2.29)

Provisions

As the actual outflows can differ from estimates made for provisions due to changes in laws, regulations, public expectations, technology, prices and conditions, and can take place many years in the future, the carrying amounts of provisions are reviewed at each reporting date and adjusted to take account of such changes. Any adjustments to the amount of previously recognised provision is recognised in the statement of profit or loss and other comprehensive income unless the provision was originally recognised as part of cost of an asset.

Employees' retirement benefit

The cost of defined benefit retirement plan is determined using actuarial valuation. The actuarial valuation is based on the assumptions as mentioned in note 6.11 to these financial statements.

d) Amendments to published approved accounting standards that are effective in current year and are relevant to the Company

Following amendments to published approved accounting standards are mandatory for the Company's accounting periods beginning on or after 01 January 2022:

- Amendments to IFRS 16 'Leases' - Covid-19 related rent concessions extended beyond 30 June 2021;
- Amendments to IAS 16 'Property, Plant and Equipment' - Proceeds before Intended Use;
- Amendments to IAS 37 'Provisions, Contingent Liabilities and Contingent Assets' - Onerous Contracts - Cost of Fulfilling a Contract amends IAS 1 'Presentation of Financial Statements';
- Annual improvements to IFRS standards 2018-2020 which amended IFRS 9 'Financial Instruments' and IFRS 16 'Leases';
- 'Reference to the Conceptual Framework (Amendments to IFRS 3)' published by the International Accounting Standards Board (IASB) with amendments to IFRS 3 'Business Combinations'.

The above-mentioned amendments to approved accounting standards did not have any impact on the amounts recognised in prior period and are not expected to significantly affect the current or future periods.

e) Amendments to published approved accounting standards that are effective in current year but not relevant to the Company

There are amendments to published standards that are mandatory for accounting periods beginning on or after 01 January 2022 but are considered not to be relevant or do not have any significant impact on the Company's financial statements and are therefore not detailed in these financial statements.

f) Amendments to published approved accounting standards that are not yet effective but relevant to the Company

Following amendments to existing standards have been published and are mandatory for the Company's accounting periods beginning on or after 01 January 2023 or later periods:

Classification of liabilities as current or non-current (Amendments to IAS 1 'Presentation of Financial Statements') effective for the annual period beginning on or after 01 January 2023. These amendments in the standards have been added to further clarify when a liability is classified as current. The standard also amends the aspect of classification of liability as non-current by requiring the assessment of the entity's right at the end of the reporting period to defer the settlement of liability for at least twelve months after the reporting period. An entity shall apply those amendments retrospectively in accordance with IAS 8 'Accounting Policies, Changes in Accounting Estimates and Errors'.

Disclosure of Accounting Policies (Amendments to IAS 1 'Presentation of Financial Statements' and IFRS Practice Statement 2 'Making Materiality Judgement') effective for annual periods beginning on or after 01 January 2023. These amendments are intended to help preparers in deciding which accounting policies to disclose in their financial statements. Earlier, IAS 1 states that an entity shall disclose its 'significant accounting policies' in their financial statements. These amendments shall assist the entities to disclose their 'material accounting policies' in their financial statements.

Deferred Tax related to Assets and Liabilities arising from a Single Transaction (Amendments to IAS 12 'Income taxes') effective for annual periods beginning on or after 01 January 2023. These amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations.

Change in definition of Accounting Estimate (Amendments to IAS 8 'Accounting Policies, Changes in Accounting Estimates and Errors') effective for annual periods beginning on or after 1 January 2023. This change replaced the definition of Accounting Estimate with a new definition, intended to help entities to distinguish between accounting policies and accounting estimates.

On 31 October 2022, the IASB issued 'Non-current Liabilities with Covenants (Amendments to IAS 1)' to clarify how conditions with which an entity must comply within twelve months after the reporting period affect the classification of a liability. The amendments are effective for reporting periods beginning on or after 01 January 2024.

On 22 September 2022, the IASB issued 'Lease Liability in a Sale and Leaseback (Amendments to IFRS 16)' with amendments that clarify how a seller-lessee subsequently measures sale and leaseback transactions that satisfy the requirements in IFRS 15 to be accounted for as a sale. The amendments are effective for annual periods beginning on or after 01 January 2024.

Amendments to IFRS 10 'Consolidated Financial Statements' and IAS 28 'Investments in Associates and Joint Ventures' (deferred indefinitely) to clarify the treatment of the sale or contribution of assets from an investor to its associates or joint venture, as follows: require full recognition in the investor's financial statements of gains and losses arising on the sale or contribution of assets that constitute a business (as defined in IFRS 3 'Business Combinations'); require the partial recognition of gains and losses where the assets do not constitute a business, i.e. a gain or loss is recognized only to the extent of the unrelated investors' interests in that associate or joint venture. These requirements apply regardless of the legal form of the transaction, e.g. whether the sale or contribution of assets occur by an investor transferring shares in a subsidiary that holds the assets (resulting in loss of control of the subsidiary), or by the direct sale of the assets themselves.

The above amendments and improvements are likely to have no significant impact on the financial statements.

g) Standards and amendments to published approved accounting standards that are not yet effective and not considered relevant to the Company

There are other standards and amendments to published approved standards that are mandatory for accounting periods beginning on or after 01 January 2023 but are considered not to be relevant or do not have any significant impact on the Company's financial statements and are therefore not detailed in these financial statements.

2.2 Fixed assets

2.2.1 Operating fixed assets

Operating fixed assets, except freehold land are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Freehold land is stated at cost less impairment loss, if any. Residual values and estimated useful lives are reviewed at each reporting date, with the effect of changes in estimate accounted for on prospective basis.

Depreciation is charged to income applying the straight line method whereby cost of an asset less its residual value is written off over its estimated useful life at the rates given in note 13.1. Depreciation on additions is charged for the full month in which the asset is available for use and on deletion up to the month immediately preceding the deletion.

measured reliably. All other repair and maintenance costs are included in the statement of profit or loss and other comprehensive income during the period in which they are incurred.

An item of operating fixed assets is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. The gain or loss on disposal or retirement of an asset represented by the difference between the sale proceeds and the carrying amount of the asset is recognized as an income or expense.

2.2.2 Capital work-in-progress

Capital work-in-progress is stated at cost less identified impairment losses, if any. All expenditure connected with specific assets incurred during installation and construction period are carried under capital work-in-progress. These are transferred to operating fixed assets as and when these are available for use.

2.3 Leases

Exemption from requirements of IFRS 16 'Leases' to the extent of Power Purchase Agreement (PPA)

The Securities and Exchange Commission of Pakistan (SECP) vide SRO 986(I)/2019 dated 02 September 2019 has granted exemption from the requirements of IFRS 16 'Leases' to all companies, which have entered into power purchase agreements before 01 January 2019. Therefore, the Company is not required to account for the portion of its Power Purchase Agreement (PPA) with Central Power Purchasing Agency (Guarantee) Limited (CPPA-G) as a lease under IFRS 16 'Leases'. Further, SECP also granted waiver for the requirements of IAS 21 'The Effects of Changes in Foreign Exchange Rates' in respect of accounting principle of capitalization of exchange differences to power sector companies. However, if the Company followed IFRS 16, the effect on the financial statements would be as follows:

	2022 (Rupees in thousand)	2021
De-recognition of fixed assets	(4,332,816)	(5,257,544)
Recognition of lease debtor	4,045,112	3,044,176
De-recognition of trade debts	(2,670,226)	(1,434,633)
Decrease in un-appropriated profit at the beginning of the year	(3,790,531)	(4,390,774)
Increase in profit for the year	832,603	600,243
Decrease in un-appropriated profit at the end of the year	(2,957,928)	(3,790,531)

2.4 Right-of-use assets

A right-of-use asset is recognized at the commencement date of a lease. The right-of-use asset is measured at cost less accumulated depreciation and accumulated impairment loss (if any). Cost comprises of initial amount of the lease liability, adjusted for, as applicable, any lease payments made at or before the commencement date net of any lease incentives received, any initial direct costs incurred, and, except where included in the cost of inventories, an estimate of costs expected to be incurred for dismantling and removing the underlying asset, and restoring the site or asset.

Right-of-use assets are depreciated on a straight-line basis over the unexpired period of the lease or the estimated useful life of the asset, whichever is shorter. Where the Company expects to obtain ownership of the leased asset at the end of the lease term, the depreciation is charged over its estimated useful life. Right-of-use assets are subject to impairment or adjusted for any re-measurement of lease liabilities.

The Company has elected not to recognize a right-of-use asset and corresponding lease liability for short-term leases with terms of 12 months or less and leases of low-value assets. Lease payments on these assets are charged to income as incurred.

2.5 Lease liabilities

A lease liability is recognized at the commencement date of a lease. The lease liability is initially recognized at the present value of the lease payments to be made over the term of the lease, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Lease payments comprise of fixed payments less any lease incentives receivable, variable lease payments that depend on an index or a rate, amounts expected to be paid under residual value guarantees, exercise price of a purchase option when the exercise of the option is reasonably certain to occur, and any anticipated termination penalties. The variable lease payments that do not depend on an index or a rate are expensed in the period in which they are incurred.

Lease liabilities are measured at amortised cost using the effective interest method. The carrying amounts are re-measured if there is a change in the following: future lease payments arising from a change in an index or a rate used; residual guarantee; lease term; certainty of a purchase option and termination penalties. When a lease liability is re-measured, an adjustment is made to the corresponding right-of-use asset, or to statement of profit or loss and other comprehensive income if the carrying amount of the right-of-use asset is fully written down.

2.6 Investments and other financial assets

a) Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those to be measured at amortized cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. The Company reclassifies debt investments when and only when its business model for managing those assets changes.

b) Measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs

of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

Amortized cost

Financial assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in other income using the effective interest rate method. Any gain or loss arising on derecognition is recognised directly in profit or loss and presented in other income / (other expenses) together with foreign exchange gains and losses. Impairment losses are presented as separate line item in the statement of profit or loss and other comprehensive income.

Fair value through other comprehensive income (FVTOCI)

Financial assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVTOCI. Movements in the carrying amount are taken through other comprehensive income, except for the recognition of impairment losses (and reversal of impairment losses), interest income and foreign exchange gains and losses which are recognised in profit or loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in other comprehensive income is reclassified from equity to profit or loss and recognised in other income / (other expenses). Interest income from these financial assets is included in other income using the effective interest rate method. Foreign exchange gains and losses are presented in other income / (other expenses) and impairment losses are presented as separate line item in the statement of profit or loss and other comprehensive income.

Fair value through profit or loss (FVTPL)

Assets that do not meet the criteria for amortised cost or FVTOCI are measured at FVTPL. A gain or loss on a debt instrument that is subsequently measured at FVTPL is recognised in profit or loss and presented net within other income / (other expenses) in the period in which it arises.

Equity instruments

The Company subsequently measures all equity investments at fair value for financial instruments quoted in an active market, the fair value corresponds to a market price (level 1). For financial instruments that are not quoted in an active market, the fair value is determined using valuation techniques including reference to recent arm's length market transactions or transactions involving financial instruments which are substantially the same (level 2), or discounted cash flow analysis including, to the greatest possible extent, assumptions consistent with observable market data (level 3).

Fair value through other comprehensive income (FVTOCI)

Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVTOCI are not reported separately from other changes in fair value.

Fair value through profit or loss (FVTPL)

Changes in the fair value of equity investments at fair value through profit or loss are recognised in other income / (other expenses) in the statement of profit or loss and other comprehensive income as applicable.

Dividends from such investments continue to be recognised in profit or loss as other income when the Company's right to receive payments is established.

2.7 Financial liabilities- Classification and measurement

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in statement of profit or loss and other comprehensive income. Any gain or loss on de-recognition is also included in profit or loss.

2.8 Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its debt instruments carried at amortised cost and FVTOCI. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For receivables other than those due from the Government of Pakistan, the Company applies the simplified approach permitted by IFRS 9, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

2.9 De-recognition of financial assets and financial liabilities

a) Financial assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred, or it neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control over the transferred asset. Any interest in such derecognized financial assets that is created or retained by the Company is recognized as a separate asset or liability.

b) Financial liabilities

The Company derecognizes a financial liability (or a part of financial liability) from its statement of financial position when the obligation specified in the contract is discharged or cancelled or expires.

2.10 Offsetting of financial instruments

Financial assets and financial liabilities are set off and the net amount is reported in the financial statements when there is a legal enforceable right to set off and the Company intends either to settle on a net basis or to realize the assets and to settle the liabilities simultaneously.

2.11 Investment in associate - (with significant influence)

Associates are all entities over which the Company has significant influence but not control. Investment in equity instruments of associates are accounted for using the equity method of accounting and are initially recognised at cost. The Company's investment in associates includes goodwill (net of any accumulated impairment loss) identified on the acquisition. The Company's share of its associates' post-acquisition profits or losses is recognised in the statement of profit or loss and other comprehensive income, and its share of post-acquisition movements in reserves is recognised in reserves. The cumulative post-acquisition movements are adjusted against the carrying amount of investment. When the Company's share of losses in an associate equals or exceeds its interest in the associate, including any other unsecured receivables, the Company does not recognise further losses, unless it has incurred obligations or made payments on behalf of the associate. Unrealised gains on transactions between the Company and its associates are eliminated to the extent of Company's interest in the associates. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. At each reporting date, the Company reviews the carrying amounts of the investments to assess whether there is any indication that such investments have suffered an impairment loss. If any such indication exists, the recoverable amount is estimated in order to determine the extent of the impairment loss, if any. Impairment losses are recognised as expense in the statement of profit or loss and other comprehensive income. Impairment losses recognised in the statement of profit or loss and other comprehensive income on equity instruments are not reversed through the statement of profit or loss and other comprehensive income.

2.12 Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates (the functional currency). The financial statements are presented in Pak Rupees, which is the Company's functional and presentation currency. Figures are rounded off to the nearest thousand of Pak Rupees.

2.13 Foreign currency translation

These financial statements are presented in Pak Rupees, which is the Company's functional and presentation currency. Transactions in foreign currency are converted in Pak Rupees at the rates of exchange prevailing on the date of transaction. Monetary assets and liabilities in foreign currencies at the reporting date are translated into Pak Rupees at the rate of exchange prevailing on that date. Net exchange differences are recognized as income or expense in the period in which they arise.

2.14 Employee benefits

2.14.1 Defined contribution plan

The Company operates a contributory provident fund scheme covering all regular employees. Equal monthly contributions are made by the Company and employees to the fund at the rate of 10% of basic salary of employees.

2.14.2 Defined benefit plan

The Company operates a funded gratuity scheme for all of its employees who have completed the qualifying period as defined under the scheme. As per gratuity scheme, employees of the Company are entitled to gratuity equivalent to last drawn salary multiplied by the numbers of year of service up to the date of leaving the Company. The liability recognised in respect of defined benefit plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by independent actuary using the projected unit credit method. The charge for the year is based on actuarial valuation. The latest actuarial valuation was carried out as at 31 December 2022 using projected unit credit method. The amount arising as a result of remeasurements are recognised immediately, with a charge or credit to other comprehensive income in the periods in which they occur. Past-service costs are recognised immediately in profit or loss.

2.15 Inventories

Inventories, except in transit are stated at lower of cost and net realizable value. Cost is determined as follows:

2.15.1 Fuel stock

Cost is determined on the basis of first-in-first-out method.

2.15.2 Stores, spare parts and other consumables

Cost is determined on the basis of average cost method, less allowance for obsolete and slow moving items. Cost in relation to items in transit comprises of invoice value and other charges incurred thereon up to the reporting date.

Net realizable value signifies the estimated selling price in the ordinary course of business less the estimated costs necessary to make the sale. Provision for obsolete and slow moving items is made based on management's estimate.

2.16 Provisions

Provisions are recognized when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are reviewed at each reporting date and adjusted to reflect the current best estimate.

2.17 Earnings per share

The Company presents earnings per share (EPS) data for its ordinary shares. EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year.

2.18 Contingent assets

Contingent assets are disclosed when the Company has a possible asset that arises from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent assets are not recognized until their realization becomes certain.

2.19 Contingent liabilities

Contingent liability is disclosed when the Company has a possible obligation as a result of past events whose existence will only be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent liabilities are not recognized, only disclosed, unless the possibility of a future outflow of resources is considered remote. In the event that the outflow of resources associated with a contingent liability is assessed as probable, and if the size of the outflow can be reliably estimated, a provision is recognized in the financial statements.

2.20 Taxation

2.20.1 Current

Income (profit and gains) of the Company derived from power generation are exempt from income tax under Clause 132 of Part I and Clause 11A of Part IV of Second Schedule to the Income Tax Ordinance, 2001. This exemption is available till the term of Power Purchase Agreement (PPA). However, full provision is made in the statement of profit or loss and other comprehensive income on income from sources not covered under the above clauses at current rates of taxation after taking into account, tax credits and rebates available, if any.

2.20.2 Deferred

Deferred tax is accounted for using the liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax base used in the computation of the taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences and deferred tax assets to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized.

Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse based on tax rates that have been enacted or substantively enacted by the reporting date. Deferred tax is charged or credited in the profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case the tax is also recognized in other comprehensive income or directly in equity, respectively.

Deferred tax has not been provided in these financial statements as the management believes that the temporary differences will not reverse in the foreseeable future due to the fact that the Company remains exempt from taxation under Clause 132 of Part I and Clause 11A of Part IV of Second Schedule to the Income Tax Ordinance, 2001.

2.21 Cash and cash equivalents

Cash and cash equivalents comprise cash in hand, balance with banks in current, saving and deposit accounts, other short term highly liquid instruments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in values and short-term borrowings under mark-up arrangements.

2.22 Borrowings

Financing and borrowings are recognized initially at fair value and are subsequently stated at amortized cost. Any difference between the proceeds and the redemption value is recognized in the statement of profit or loss over the period of the borrowings using the effective interest method.

2.23 Borrowing costs

Borrowing costs incurred for the construction of any qualifying assets are capitalized during the period of time that is required to complete and prepare the asset for its intended use. Other borrowing costs are expensed in the statement of profit or loss and other comprehensive income in the period in which they arise.

2.24 Financial assets due from the Government of Pakistan

Financial assets due from the Government of Pakistan include trade debts and other receivables due from CPPA-G under the PPA that also includes accrued amounts. SECP through SRO 67(I)/2023 dated 20 January 2023 has notified that, in respect of companies holding financial assets due from the Government of Pakistan, the requirements contained in IFRS 9 with respect to application of Expected Credit Losses method shall not be applicable till financial year ending on or before 31 December 2024 and that such companies shall follow relevant requirements of IAS 39 in respect of above referred financial assets during the exemption period. Accordingly, the same continue to be reported as per the following accounting policy:

A provision for impairment is established when there is objective evidence that the Company will not be able to collect all the amount due according to the original terms of the receivable.

The Company assesses at the end of each reporting period whether there is objective evidence that the financial asset is impaired. The financial asset is impaired and impairment losses are incurred only if there is objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the asset (a 'loss event') and that loss event (or events) has an impact on the estimated future cash flows of the financial asset that can be reliably estimated. Evidence of impairment may include indications that the debtor is experiencing significant financial difficulty, default or delinquency in interest or principal payments, the probability that they will enter bankruptcy or other financial reorganisation, and where observable data indicates that there is a measurable decrease in the estimated future cash flows, such as changes in arrears or economic conditions that correlate with defaults. The amount of the loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows (excluding future credit losses that have not been incurred) discounted at the financial asset's original effective interest rate. The carrying amount of the asset is reduced and the amount of the loss is recognised in the profit or loss. When the financial asset is uncollectible, it is written off against the provision. Subsequent recoveries of amounts previously written off are credited to the profit or loss. If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised (such as an improvement in the debtor's credit rating), the reversal of the previously recognised impairment loss is recognised in the profit or loss.

2.25 Trade debts

Trade debts are amounts due from CPPA-G in the ordinary course of business. They are generally due for settlement as referred to in note 2.29 and therefore are all classified as current. Trade debts are recognised initially at the amount of consideration that is unconditional unless they contain significant financing components, when they are recognised at fair value. The Company holds the trade debts with the objective to collect the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less provision for impairment.

2.26 Share capital

Ordinary shares are classified as equity and recognized at their face value. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction, net of tax.

2.27 Trade and other payables

Liabilities for trade and other amounts payable are initially recognized at fair value which is normally the transaction cost.

2.28 Impairment of non-financial assets

Assets that have an indefinite useful life are not subject to depreciation and are tested annually for impairment. Assets that are subject to depreciation are reviewed for impairment at each statement of financial position date or whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount for which assets carrying amount exceeds its recoverable amount. Recoverable amount is the higher of an asset's fair value less costs to sell and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at each reporting date. Reversals of the impairment losses are restricted to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if impairment losses had not been recognized. An impairment loss or reversal of impairment loss is recognized in the profit or loss.

2.29 Revenue recognition

Revenue shall be recognized when (or as) the Company satisfies a performance obligation by transferring a promised good or service (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset and thus has the ability to direct the use and obtain the benefits from the good or service.

Sale of electricity

Revenue from sale of electricity to CPPA-G, the sole customer of the Company, is recorded on the following basis:

- Capacity Purchase Price revenue is recognized over time, based on the capacity made available to CPPA-G; and
- Energy Purchases Price revenue is recognized at a 'point in time' based on the Net Electrical Output (NEO) delivered to CPPA-G.

Capacity Purchase Price revenue and Energy Purchase Price revenue is recognized based on the rates specified under the mechanism laid down in Power Purchase Agreement (PPA).

Invoices are generally raised on a monthly basis and are due after 25 days from acknowledgement by CPPA-G.

Interest

Delayed payment markup on amounts due under the PPA is accrued on a time proportion basis by reference to the amount outstanding and the applicable rate of return under the PPA.

Rent

Rent revenue is recognised on a straight-line basis over the lease term. Lease incentives granted are recognised as part of the rental revenue. Contingent rentals are recognised as income in the period when earned.

Dividend

Dividend on equity investments is recognized when right to receive the dividend is established.

2.30 Government grants

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to costs are deferred and recognised in the profit or loss over the period necessary to match them with the costs that they are intended to compensate.

Government grants relating to the purchase of fixed assets are included in non-current liabilities as deferred income and are credited to profit or loss over the expected lives of the related assets.

2.31 Dividend and other appropriations

Dividend distribution to the Company's shareholders is recognized as a liability in the Company's financial statements in the period in which the dividends are declared and other appropriations are recognized in the period in which these are approved by the Board of Directors.

3.1.1 Ceased to be an associated undertaking due to resignation of Mr. Aurangzeb Firoz, former common director on 24 June 2022.

3.2 These were issued against project development expenses.

3.3 Capital risk management

The Company's objective when managing capital is to safeguard the Company's ability to remain as a going concern and continue to provide returns for shareholders and benefits for other stakeholders. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend paid to shareholders keeping in view its cash flow requirements to maintain its operating capacity in terms of PPA. No changes were made in the objectives, policies or processes from previous year. The Company monitors capital using a gearing ratio, which is net debt divided by the total capital plus net debt. The Company includes within net debt long term financing, short term borrowings less cash and bank balances. Capital includes equity attributable to the equity holders.

	2022 (Rupees in thousand)	2021 (Rupees in thousand)
Long term financing	-	48,986
Short term borrowings	697,303	7,336

This increase in gearing ratio was due to increase in short term borrowings of the Company.

4 CAPITAL RESERVE

This represents the Retained Payments Fund ("the reserve") maintained under clause 9.11 of the PPA. Initially the reserve was established at one twenty fourth of the annual operating and maintenance budget of the Company's first year of operations less fuel expenses. The reserve can only be utilized to pay expenses on major maintenance for proper operation of the Complex in case of non availability of sufficient funds. The reserve fund needs to be replenished for the monies utilized by the Company.

- 5.1 These term finance facilities, aggregating to Rupees 99.269 million were obtained by the Company from MCB Bank limited - related party under SBP Refinance Scheme for Payment of Wages and Salaries to the Workers and Employees of Business Concerns (the Refinance Scheme). These were secured against first joint pari passu charge over all present and future current assets of the Company of Rupees 3,125 million. These finance facilities were payable in 8 equal quarterly installments commenced from 01 January 2021 and ended on 01 October 2022. Mark-up was payable quarterly at the rate of SBP refinance rate plus 2.00% to 3.00% per annum. These finance facilities were recognized and measured in accordance with IFRS 9 'Financial Instruments'. Fair value adjustments were recognized at discount rates of 7.69% to 8.68% per annum.

6 EMPLOYEE BENEFIT - GRATUITY

The latest actuarial valuation of the defined benefit plan as at 31 December 2022 was carried out using the Projected Unit Credit Method. Details of the plan as per the actuarial valuation are as follows:

6.1 Statement of financial position reconciliation:

Present value of defined benefit obligation (Note 6.2)
Fair value of plan assets (Note 6.3)
Liability recognized at reporting date

2022 (Rupees in thousand)	2021

Remeasurement gain (2021: loss) on fair value of plan assets	2,831	(2,011)
	6,931	(3,114)
6.9	Plan assets held in the trust are governed by local regulations which mainly includes the Trusts Act, the Income Tax Rules, 2002 and Rules under the Trust Deed of the plan. The Company actively monitors how the duration and the expected yield of the investments are matching the expected cash outflows arising from the plan obligations. The Company has not changed the processes used to manage its risks from previous periods. The Company does not use derivatives to manage its risk. Investments are diversified, such that the failure of any single investment would not have a material impact on the overall level of assets. Responsibility for governance of the plan, including investment decisions and contribution schedules, lies with the Board of Trustees.	

6.10 Amounts for the current and previous four years:

	2022	2021	2020	2019	2018
	(----- Rupees in thousand -----)				
Present value of defined benefit obligation	139,021	120,044	103,746	106,277	104,446
Fair value of plan assets	(134,447)	(117,777)	(109,146)	(85,336)	(75,097)
Deficit / (surplus)	4,574	2,267	(5,400)	20,941	29,349
Remeasurement loss / (gain) on defined benefit obligation	(4,100)	1,103	(3,370)	(13,572)	13,873
Remeasurement (loss) / gain on fair value of plan assets	2,831	(2,011)	2,873	(6,109)	(9,696)

6.11 Principal actuarial assumptions used:

	2022 (% per annum)	2021
Discount rate	14.50	11.75
Expected rate of increase in salary	14.50	11.75
Expected rate of return on plan assets	14.50	11.75

6.12 Mortality was assumed to be based on SLIC 2001-05 ultimate mortality rates, rated down by one year.

6.13 The expected charge to statement of profit or loss and other comprehensive income of the Company for defined benefit plan obligation for the next year is Rupees 12.151 million.

6.14 The Company's contribution to defined benefit plan in year 2023 is expected to be Rupees 12.051 million. There are no minimum funding requirements to the defined benefit plan. The actuary conducts separate valuations for calculating contribution rates and the Company contributes to the gratuity fund according to the actuary's advice. Expense of the defined benefit plan is calculated by the actuary.

6.15 The weighted average duration of the defined benefit plan is 4.09 years.

6.16 Sensitivity analysis for actuarial assumptions:

The sensitivity of the defined benefit obligation as at reporting date to changes in the weighted principal assumptions is:

	Impact on defined benefit obligation		
	Changes in assumption (%)	Increase in assumption (Rupees in thousand)	Decrease in assumption
Discount rate	1	133,485	144,869
Future salary increases	1	145,438	132,864

The sensitivity analysis is based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied.

- 6.17** The expected return on plan assets is based on the market expectations and depends upon the asset portfolio of the plan, at the beginning of the period, for returns over the entire life of related obligation. The expected return on plan assets was determined by considering the expected returns available on the assets underlying the current investment policy. Expected yields on term deposits are based on gross redemption yields as at the reporting date.

6.18 Expected maturity profile of undiscounted defined benefit obligation:

Less than a year	Between 1 - 2 years	Between 3 - 5 years	Between 6 - 10 years	Over 10 years	Total
(----- Rupees in thousand -----)					
13,799	3,875	41,591	208,543	-	267,808

- 7.1** The State Bank of Pakistan (SBP), through its Circular No. 06 of 2020 dated 10 April 2020 introduced a temporary refinance scheme for Payment of Wages and Salaries to the Workers and Employees of Business Concerns (the Refinance Scheme). The Refinance Scheme was funded by SBP. Borrowers could obtain loans from the banks and ease their cash flow constraints to avoid layoffs. One of the key feature of the Refinance Scheme was that borrowers can obtain loan at mark-up rates that are below normal lending rates. As per International Accounting Standard (IAS) 20 'Accounting for Government Grants and Disclosure of Government Assistance', the benefit of a Government loan at a below-market rate of interest is treated as a Government Grant. The Company obtained loan as disclosed in note 5 to the financial statements. In accordance with IFRS 9 'Financial Instruments' loan obtained under the Refinance Scheme was initially recognized at its fair value which is the present value of loan proceeds received, discounted using prevailing market rates of interest for a similar instrument. Hence, the benefit of the below-market rate of interest has been measured as the difference between the initial carrying value of the loan determined in accordance with IFRS 9 and the proceeds received. This benefit was accounted for and presented as deferred grant in accordance with IAS 20. The grant has been amortized in the statement of profit or loss and other comprehensive income, in line with the recognition of interest expense the grant is compensating. There were no unfulfilled conditions or contingencies attached to these grants.

12 CONTINGENCIES AND COMMITMENTS

12.1 Contingencies

- i) Up to the year ended 31 December 2002, the Company had recorded the provision for workers' profits participation fund and paid to the Federal Treasury contributions on its annual profit as per the provisions of the Companies Profits (Workers Participation) Act, 1968 (the Act).

Based on legal advice, the Company filed a petition on 15 April 2004 in the Honorable Lahore High Court challenging the application of the Act to the Company on the grounds that since inception the Company has not employed any person who falls within the definition of the term "Worker" as per the provisions of the Act. The Company asserts that it had erroneously deposited in the past certain sums with Federal Treasury as contributions of Workers' Profit Participation Fund (WPPF) and Workers' Welfare Fund (WWF), although it was not obligated to make such payments. The petition was filed subsequent to the Company's receipt of the Federal Board of Revenue's Income Tax / Wealth Tax Circle's letter dated 30 March 2004 directing the Company to allocate five percent of its net profit towards the WPPF and deposit the un-utilized amount of the WPPF in the Federal Treasury. The petition was filed against the Labour, Manpower and Overseas Pakistani Division of Ministry of Labour, Manpower and Overseas Pakistanis which was later dismissed for non-prosecution.

Consequent to the amendments that were made in the Act through the Finance Act, 2006, the Company was required to pay 5% of its profits to WPPF from the financial year 2006. The Company established a workers' profit participation fund to comply with the requirements of the Companies Profit (Workers Participation) Act, 1968.

Management, based on legal advice, asserts that if it is held that the scheme is applicable to the Company during the aforementioned period, any payments that the Company is ultimately required to make under the provision of the Act are considered as pass through items recoverable from Central Power Purchasing Agency (Guarantee) Limited (CPPA-G) under the provisions of the Power Purchase Agreement (PPA). Consequently, there will be no impact on its financial position and its results of operations.

- ii) Deputy Commissioner Inland Revenue (DCIR) issued orders to the Company in which sales tax refund claims amounting to Rupees 1,486.302 million for the tax periods November 2008 to July 2009, January 2010 to October 2010 and January 2011 to July 2012 were rejected by apportioning input sales tax between capacity invoices and energy invoices and allowed input sales tax allocated to energy invoices only. Against aforesaid orders, the Company filed appeals before Commissioner Inland Revenue (Appeals) [CIR(A)], which were decided in favour of the Company. Against the orders of CIR(A), tax department filed appeals before Appellate Tribunal Inland Revenue (ATIR). ATIR decided the case in favour of tax department and vacated the order passed by CIR(A). Against the decision of ATIR, the Company filed reference application in the Honourable Lahore High Court (the Court) which has been decided in favour of the Company by the Court. However, department has filed petition for leave to appeal before Supreme Court of Pakistan. Further, DCIR issued show cause notice to the Company for the tax periods from July

2009 to December 2012 declaring refund claims being inadmissible amounting to Rupees 2,374.766 million on aforesaid grounds. The Company challenged the notice before the Court along with reply of the show cause notice to DCIR. The Court has decided the case in favour of the Company. However, tax department has filed petition for leave to appeal before Supreme Court of Pakistan, as well as review application before the Court.

Further, on 18 May 2021, DCIR issued a show cause notice under section 11(2) of the Sales Tax Act, 1990 for the tax periods from July 2016 to January 2021 regarding the disallowance of input sales tax amounting to Rupees 478.291 million on similar grounds as explained above. The Company challenged the jurisdiction of DCIR by filing the writ petition before the Honorable Lahore High Court (the Court). The Court vide order dated 02 August 2021 directed the Company to comply with the notice. On 03 August 2021, DCIR passed an assessment order against the Company by disallowing the input tax amounting to Rupees 478.291 million along with the default surcharge and penalty without providing any opportunity of being heard. Being aggrieved with the order of DCIR, the Company preferred an appeal before CIR(A). On 09 November 2021, CIR(A) annulled the order passed by DCIR and directed to allow reasonable time to the Company of being heard. Against the order of CIR(A), the Company has filed an appeal before ATIR which is pending for hearing.

On 08 April 2021, Assistant Commissioner Inland Revenue (ACIR) issued a show cause notice under section 11(2) of the Sales Tax Act, 1990 for the tax period from January 2016 to December 2016 regarding the disallowance of input sales tax amounting to Rupees 1,080.919 million along with default surcharge and penalty on similar grounds as explained above. On 19 June 2021, ACIR passed a detailed order whereby the recoverability of sales tax claimed against capacity purchase price amounting to Rupees 1,080.919 million along with default surcharge and penalty was connected with the outcome of decision of Honorable Supreme Court in the same matter as disclosed above. Moreover, ACIR also raised a demand of Rupees 10.145 million on account of inadmissible claim of input sales tax and sales tax on sale of residue of extracts from furnace oil. Against the order of ACIR, the Company preferred an appeal before CIR(A). On 10 March 2022, CIR(A) passed an order whereby partial relief was provided to the Company. Being aggrieved with the order of CIR(A), the Company has filed an appeal before ATIR. The tax department has also filed appeal before ATIR against the order of CIR(A) which is pending for hearing. On 13 June 2022, ATIR passed an order and decided the case in favor of the Company. No appeal has been filed by tax department against the order of ATIR.

Based on the advice of tax advisor, the management is of the view that there are meritorious grounds available to defend the cases. Consequently, no provision for these cases has been made in these financial statements.

- iii) The tax authorities have carried out assessment proceedings under section 122(5A) of the Income Tax Ordinance, 2001 for the tax years 2012 to 2014 by creating (among others) a demand of Rupees 708.184 million on account of interest on delayed payments by CPPA-G not been offered for tax. As per tax authorities, interest on delayed payments falls under the head income from other sources and is not exempt from tax as the same is not covered under Clause 132, Part I of the Second Schedule to the Income Tax Ordinance, 2001. The Company filed appeals against foregoing assessment proceedings before Commissioner Inland Revenue (Appeals) [CIR(A)], which were decided in favour of the Company. Against the decisions of CIR(A), tax authorities filed appeals before ATIR. The ATIR through its orders dated 01 October 2019 dismissed tax authorities' appeal and upheld the order passed by CIR(A) in case of tax year 2012. The tax authorities have preferred appeal before Honorable Lahore High Court, Lahore against the order of ATIR which is pending adjudication. In case of tax year 2013 and 2014, ATIR through its order dated 23 April 2022 and 05 July 2022 has dismissed tax authorities' appeals. Further, no proceedings against the order passed by ATIR has been initiated by tax authorities. Based on tax advisor's opinion, the management is confident that the matter will be decided in favour of the Company and accordingly no provision has been made in these financial statements.
- iv) Deputy Commissioner Inland Revenue (DCIR), through an assessment order, rejected the deferred sales tax refund claims of different tax periods amounting to Rupees 44.816 million on

the grounds that the Company has failed to prove admissibility of refund claims in the light of objection raised by Sales Tax Automated Refund Repository (STARR). The Company filed an appeal before CIR(A) whereby CIR(A) granted relief to the Company and directed the department to allow Company's refund claim after proper verification of underlying documents and refund should be curtailed if the Company failed to provide the proof. The management is of the view that there are meritorious grounds available to prove the genuineness of the refund claims. Consequently, no provision has been made in these financial statements.

- v) During the year ended 31 December 2019, DCIR has passed an order under section 11 of the Sales Tax Act, 1990 raising a demand on account of sales tax aggregating to Rupees 159.815 million against the Company. The Company filed an appeal before the CIR(A) against the order of DCIR. On 12 September 2019, CIR(A) disposed-off the appeal whereby all the matters were decided in favor of the Company except the disallowance of input sales tax on certain purchases aggregating to Rupees 51.707 million. Further, CIR(A) connected the decision regarding the adjustment of input sales tax in respect of building materials amounting to Rupees 2.801 million with the outcome of appeal filed with Honourable Lahore High Court, Lahore as disclosed in note 12.1(vi) to these financial statements. Being aggrieved by the order, the Company filed an appeal before the ATIR challenging the disallowance of input sales tax. On 22 April 2021, ATIR remanded back the case to assessing officer for fresh consideration and to decide the case related to adjustment of input sales tax in respect of building materials in light of judgment passed by Honourable Lahore High Court after providing reasonable opportunity of being heard to the Company. The tax department has filed two sales tax references in Lahore High Court against the order of ATIR which are in process of hearing. Based on the tax advisor's opinion, the management is of the view that there are meritorious grounds available to defend the disallowance of input sales tax. Consequently, no provision for such disallowance has been made in these financial statements.
- vi) On 28 September 2018, the Company has challenged, before Honourable Lahore High Court, Lahore, the vires of clauses (h) and (i) to sub-section (1) of section 8 of the Sales Tax Act, 1990 whereby claim of input sales tax in respect of building materials has been disallowed. The Honourable Lahore High Court, Lahore on 24 October 2019 has passed an order against the Company and the Company being aggrieved with the order preferred Intra Court Appeal before the Honourable Lahore High Court, Lahore. The Company has claimed input sales tax amounting to Rupees 2.801 million paid on such goods in its respective monthly sales tax returns. On 29 January 2020, the Honourable Lahore High Court, Lahore has modified its earlier order dated 24 October 2019 and remanded back the case to assessing / adjudicating officer to interpret clauses (h) and (i) to sub-section (1) of section 8 of the Sales Tax Act, 1990 on case to case basis. The management has strong grounds to believe that the matter will be decided in favor of the Company. Therefore, no provision has been made in these financial statements.
- vii) On 23 February 2021, DCIR passed an order under section 11 of Sales Tax Act, 1990 whereby a demand on account of inadmissible input sales tax amounting to Rupees 281.609 million along with default surcharge and penalty has been raised. The Company filed an appeal before CIR(A). On 04 October 2021, CIR(A) disposed off the appeal whereby all the matters were decided in favor of the Company except the disallowance of input sales tax on certain services aggregating to Rupees 8.178 million. Being aggrieved with the order of CIR(A), the Company preferred an appeal before the ATIR challenging the disallowance of input sales tax which is pending adjudication. Department has also challenged the order of CIR(A) by filing an appeal before ATIR which is pending adjudication. Based on the advice of the tax advisor, the management is of the view that there are meritorious grounds available to defend the disallowance of input sales tax. Consequently, no provision for such disallowance has been made in these financial statements.
- viii) Amended assessment orders dated 30 April 2018 were issued by the Additional Commissioner Inland Revenue (ACIR) under section 122(5A) of the Income Tax Ordinance, 2001 for tax years 2015, 2016 and 2017 whereby taxable income for the tax years under reference was re-computed to Rupees 444.491 million on account of interest income, income from property, minimum tax on capacity sales, scrap sales, gain on sale of fixed assets, confrontation of tax credit under repealed section 65B of the Income Tax Ordinance, 2001 and workers' welfare fund. Against the aforesaid orders, the Company preferred appeal before CIR(A). On 01 June 2021, CIR(A) passed the orders whereby the orders of ACIR were upheld in respect of all the

matters except for the taxation of gain on sale of fixed assets and workers welfare fund which were remanded back to ACIR, for consideration in view of the judgments of ATIR / Honorable Superior Courts. Being aggrieved with the order of CIR(A), the Company preferred an appeal before ATIR which is pending adjudication. On 08 September 2021, ACIR initiated remand back proceedings which were duly replied by the Company. However, on 30 May 2022, ACIR passed an order on remand back proceedings against the Company. Being aggrieved by the order of ACIR, the Company has filed an appeal before CIR(A) which is pending for hearing. Based on the advice of tax advisor, the management has strong grounds to believe that these cases will be decided in favor of the Company. Therefore, no provision has been made in these financial statements.

- ix) During the year ended 31 December 2017, the Company has challenged before the Honorable Lahore High Court (the Court), the legality of enhancement of canal water rates from Rupees 86.52 per 10,000 cubic feet to Rupees 100 per 1,000 cubic feet as notified by the Punjab Irrigation Department (the Department). On 27 March 2018, the said notification of the Department was set aside by the Court. Against the order of the Court, the Department has filed an appeal before a division bench of Honorable Lahore High Court, Lahore which is pending adjudication. The management, based on the advice of its legal counsel, has strong grounds to believe that the case will be decided in favor of the Company. Therefore, no provision has been made in these financial statements. On 14 July 2021, the Department has issued a new notification with further enhanced rate of water charges from Rupees 100 per 1,000 cubic feet to Rupees 125 per 1000 cubic feet. Following which, it is possible that the Department could send the water bills based on revised rates under the new notification. However, the Company intends to challenge the new notification vide a new petition if it receives any enhanced bill for water charges. Therefore, provision for enhanced water charges has not been made in these financial statements.
- x) CPPA-G issued a notice on 20 March 2017, disputing all the invoices of the Company on the grounds that the Company was in default of its obligations under the PPA and accordingly not eligible for the cost of working capital claimed and adjustment on account of heat rate savings. The Company challenged the dispute notice in the Honourable Lahore High Court (the Court). The Court issued a stay order restraining CPPA-G from disputing any invoice of the Company. The management is of the view that there are meritorious grounds available to defend the dispute notice and consequently, no provision has been made in these financial statements.
- xi) The Company has identified certain sales tax invoices relating to tax periods from September 2010 to September 2017 where the Company has duly discharged the liabilities by making payments to suppliers whereas input sales tax aggregating to Rupees 187.056 million has not been adjusted against the output sales tax for the respective tax periods. The Company has filed application to Federal Board of Revenue ("the Board") to condone the time limits regarding the above explained matter. In response to the Company's application, the Board has called for a report on factual merits of the Company's application. The Deputy Commissioner Inland Revenue (DCIR), in accordance with the directions of the Board, issued letters to the Company to submit relevant documentary evidence in order to prepare the report for the Board. On 22 April 2019, the Company duly complied with those letters by submitting all the necessary / relevant data. Due to the transfer of jurisdictions in September 2020, the files relating to these matters have not yet been further pursued by the new relevant field formation. During the year ended 31 December 2022, the Department responded to the Company with certain queries which were duly addressed by the Company. Based on the advice of tax advisor, the management expects favourable outcome of the matter. Hence, no provision has been made in these financial statements.
- xii) On 28 April 2022, Deputy Commissioner Inland Revenue (DCIR) passed an order under section 11 of Sales Tax Act, 1990 for tax periods from July 2021 to November 2021 raising a demand of Rupees 129.110 million on account of inadmissible input sales tax on various goods and services along with default surcharge and penalty against the Company. Being aggrieved with the order of DCIR, the Company has filed an appeal before the CIR(A). On 24 November 2022, CIR(A) passed an order whereby partial relief was granted to the Company. The Company has preferred an appeal before ATIR which is pending adjudication. Based on the tax advisor's opinion, the management is of the view that there are meritorious grounds available to defend

- xiii) On 27 January 2022, Assistant Commissioner Inland Revenue (ACIR) issued a show cause notice under section 11(2) of the Sales Tax Act, 1990 for the tax period September 2013 raising a demand on account of inadmissible input sales tax on various goods and services aggregating to Rupees 17.243 million along with default surcharge and penalty against the Company. The Company duly replied to the said show cause notice. ACIR after considering the Company's reply passed an order on 29 April 2022, whereby input sales tax of Rupees 6.606 million already deferred was rejected and demand of Rupees 10.637 million along with default surcharge and penalty was confirmed. Against the order of ACIR, the Company has filed an appeal before CIR(A). On 24 November 2022, CIR(A) upheld the order passed by ACIR. Against the order of CIR(A), the Company has preferred an appeal before ATIR which is pending adjudication. Based on the advice of tax advisor, the management expects favourable outcome of the matter. Consequently, no provision for such disallowance has been made in these financial statements.
- xiv) The banks of the Company issued letters of credit in favour of Central Power Purchasing Agency (Guarantee) Limited (CPPA-G) for amount of Rupees Nil (2021: Rupees 651 million) to meet its obligations under the Power Purchase Agreement (PPA).
- xv) The banks of the Company have issued letters of guarantee in favour of Pakistan State Oil Company Limited (PSO) - fuel supplier for an amount of Rupees 550 million (2021: Rupees 2,550 million) against purchase of fuel.
- xvi) Guarantees of Rupees 15 million (2021: Rupees 10 million) are given by the banks of the Company to Director, Excise and Taxation, Karachi against disputed amount of infrastructure cess.

12.2 Commitments

- 12.2.1 The Company has entered into a contract for a period of thirty years for purchase of fuel from PSO. Under the terms of Fuel Supply Agreement (FSA), the Company is not required to buy any minimum quantity of fuel from PSO.

- 12.2.2 Commitments in respect of other than capital expenditure

14.2 Nishat Energy Limited (NEL) is a public limited company incorporated in Pakistan. The registered office of NEL is situated at 1-B, Aziz Avenue, Canal Bank, Gulberg V, Lahore. The principal activity of NEL was to build, own, operate and maintain coal power station. NEL had submitted an upfront tariff petition which was pending for receipt of Purchase Acquisition Request from Central Power Purchasing Agency (Guarantee) Limited (CPPA-G). On 14 October 2016, existing upfront tariff for power generation on imported / local coal expired and National Electric Power Regulatory Authority (NEPRA) has decided not to extend the existing upfront tariff beyond 14 October 2016. In view of the aforesaid reasons, NEL is not considered a going concern. Therefore, investment of the Company in NEL has been fully impaired in these financial statements.

14.3 NEL is an unlisted company therefore, no quoted market price is available for its shares.

14.4 There are no contingent liabilities relating to the Company's interest in NEL.

14.5 Provision for taxation is Rupees Nil in the financial statements of NEL.

Number of persons	<u>1</u>	<u>1</u>	<u>48</u>	<u>48</u>

37.1 The Company provides to chief executive and certain executives with free use of the Company maintained cars.

37.2 Meeting fee of Rupees 875,000 (2021: Rupees 1,125,000) was paid to non-executive directors of the Company during the year.

37.3 No remuneration was paid to directors of the Company.

38 FINANCIAL RISK MANAGEMENT

38.1 Financial risk factors

The Company's activities expose it to a variety of financial risks: market risk (including currency risk, other price risk and interest rate risk), credit risk and liquidity risk. The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Company's financial performance.

Risk management is carried out by the Company's finance department under policies approved by the Board of Directors (the Board). The Company's finance department evaluates and hedges financial risks. The Board provides principles for overall risk management, as well as policies covering specific areas such as currency risk, other price risk, interest rate risk, credit risk, liquidity risk and investment of excess liquidity. All treasury related transactions are carried out within the parameters of these policies.

(a) Market risk

(i) Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. Currency risk arises mainly from future commercial transactions or receivables and payables that exist due to transactions in foreign currencies.

The Company is exposed to currency risk arising from various currency exposures, primarily with respect to the United States Dollar (USD), Pound Sterling (GBP), Euro and Japanese Yen (JPY). As on reporting date, the Company's foreign exchange risk exposure is restricted to payables only. The Company's exposure to currency risk was as follows:

	2022	2021
Trade and other payables		
- USD	(263)	(20)
- GBP	(5,010)	(4,933)
- EURO	(10,180)	(2,185)
- JPY	(772)	(3,978,961)
Net exposure - USD	(263)	(20)
Net exposure - GBP	(5,010)	(4,933)
Net exposure - EURO	(10,180)	(2,185)
Net exposure - JPY	(772)	(3,978,961)

The following significant exchange rates were applied during the year:

Rupees per US Dollar

Average rate	204.52	164.29
Reporting date rate	226.43	178.50

Rupees per GBP

Average rate	251.57	225.81
Reporting date rate	273.07	238.00

Rupees per Euro

Average rate	214.52	193.70
Reporting date rate	241.31	199.00

Rupees per JPY

Average rate	1.55	1.48
Reporting date rate	1.71	1.52

Sensitivity analysis

If the functional currency, at reporting date, had weakened / strengthened by 5% against the USD, GBP, EURO and JPY (2021: USD, GBP, EURO and JPY) with all other variables held constant, the impact on profit after taxation for the year would have been Rupees 0.194 million (2021: Rupees 0.383 million) respectively lower / higher, mainly as a result of exchange losses / gains on translation of foreign exchange denominated financial instruments. Currency risk sensitivity to foreign exchange movements has been calculated on a symmetric basis. The sensitivity analysis is unrepresentative of inherent currency risk as the year end exposure does not reflect the exposure during the year.

(ii) Other price risk

Other price risk represents the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The Company is not exposed to equity price risk since there are no investments in equity securities traded in the market at the reporting date. The Company is also not exposed to commodity price risk since it does not hold any financial instrument based on commodity prices.

(iii) Interest rate risk

This represents the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The Company's interest rate risk arises from short term investment, bank balances in saving accounts, past due trade debts, long term financing and short term borrowings. Financial instruments obtained at variable rates expose the Company to cash flow interest rate risk. Financial instruments obtained, if any, at fixed rate expose the Company to fair value interest rate risk.

At the reporting date, the interest rate profile of the Company's interest bearing financial instruments was as follows:

	2022 (Rupees in thousand)	2021
Fixed rate instruments		
Financial asset		
Short term investment	5,000	-
Financial liabilities		
Long term financing	-	48,986
Floating rate instruments		
Financial assets		
Bank balances - saving accounts	5,624	6,963,756
Loan to associated company	-	350,000
Trade debts - past due	12,628	3,734
	18,252	7,317,490
Financial liabilities		
Short term borrowings	(697,303)	(7,336)
Net exposure	(679,051)	7,310,154

Fair value sensitivity analysis for fixed rate instruments

The Company does not account for any fixed rate financial assets and liabilities at fair value through profit or loss. Therefore, a change in interest rate at the reporting date would not affect profit or loss of the Company.

Cash flow sensitivity analysis for variable rate instruments

If interest rates at the reporting date, fluctuates by 1% higher / lower with all other variables held constant, profit after taxation for the year would have been Rupees 6.791 million lower / higher mainly as a result of higher / lower interest expense (2021: Rupees 73.102 million higher / lower), mainly as a result of higher / lower interest income on floating rate instruments. This analysis is prepared assuming the amounts of assets and liabilities outstanding at reporting dates were outstanding for the whole year.

(b) Credit risk

Credit risk represents the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date was as follows:

	2022 (Rupees in thousand)	2021
Loans to employees	29,186	32,296
Long term security deposits	1,774	300
Trade debts	14,717,477	6,852,294
Short term investment	5,116	-
Loan to associated company	-	350,000
Accrued interest	-	7,175
Other receivables	439,439	440,921
Bank balances	5,747	6,970,610
	15,198,739	14,653,596

Age analysis of trade debts as at the reporting date is given in note 18.2.

The credit quality of financial assets that are neither past due nor impaired can be assessed by reference to external credit ratings (If available) or to historical information about counterparty default rate:

	Rating			2022	2021
	Short Term	Long term	Agency	(Rupees in thousand)	
CPPA-G		Not available		1,762,495	2,927,711
Nishat Hotels and Properties Limited	A2	A-	PACRA	-	350,000
Banks					
National Bank of Pakistan	A1+	AAA	PACRA	1,442	20
Habib Bank Limited	A-1+	AAA	VIS	4	284
MCB Bank Limited	A1+	AAA	PACRA	3,653	6,965,989
United Bank Limited	A-1+	AAA	VIS	541	193
Askari Bank Limited	A1+	AA+	PACRA	-	4,019
The Bank of Punjab	A1+	AA+	PACRA	6	3
Allied Bank Limited	A1+	AAA	PACRA	3	3
Al Baraka Bank (Pakistan) Limited	A-1	A+	VIS	25	25
Faysal Bank Limited	A1+	AA	PACRA	73	73
BankIslami Pakistan Limited	A1	A+	PACRA	-	1
				5,747	6,970,610
				1,768,242	10,248,321

Due to the Company's long standing business relationships with these counter parties and after giving due consideration to their strong financial standing, management does not expect non-performance by these counter parties on their obligations to the Company. Accordingly the credit risk is minimal.

(c) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company manages liquidity risk by maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities. As 31 December 2022, the Company had Rupees 10,184 million (2021: Rupees 9,279 million) available borrowing limits from financial institutions, Rupees 5.116 million (2021: Rupees Nil) short term investment and Rupees 5.982 million (2021: Rupees 6,970.962 million) cash and bank balances to meet the short term funding requirements due to delay in payments by CPPA-G. Management believes the liquidity risk to be low. Following are the contractual maturities of financial liabilities, including interest payments. The amounts disclosed in the table are undiscounted cash flows:

Contractual maturities of financial liabilities as at 31 December 2022:

Carrying amount	Contractual cash flows	6 months or less	6-12 months	1-2 Years	More than 2 Years
(----- Rupees in thousand -----)

39 RECOGNIZED FAIR VALUE MEASUREMENTS - FINANCIAL INSTRUMENTS

(I) Fair value hierarchy

Certain financial assets and financial liabilities are not measured at fair value if the carrying amounts are a reasonable approximation of fair value. Due to short term nature, carrying amounts of certain financial assets and financial liabilities are considered to be the same as their fair value. For the majority of the non-current receivables, the fair values are also not significantly different to their carrying amounts. Judgements and estimates are made in determining the fair values of the financial instruments that are recognised and measured at fair value in these financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company classify its financial instruments into the following three levels. However, as at the reporting date, the Company has no such type of financial instruments which are required to be grouped into these levels. These levels are explained as under:

Level 1: The fair value of financial instruments traded in active markets (such as publicly traded derivatives, and trading and equity securities) is based on quoted market prices at the end of the reporting period. The quoted market price used for financial assets held by the Company is the current bid price. These instruments are included in level 1.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities.

42 SEGMENT INFORMATION

These financial statements have been prepared on the basis of single reportable segment. Revenue from sale of electricity relates to CPPA-G, the Company's sole customer in Pakistan. All non-current assets of the Company as at reporting date were located in Pakistan.

43 EVENTS AFTER THE REPORTING PERIOD

- 43.1** The Board of Directors has proposed final cash dividend for the year ended 31 December 2022 of Rupees 2/- per share (2021: Rupees Nil per share). However, this event has been considered as non-adjusting event under IAS 10 'Events after Reporting Period' and has not been recognized in these financial statements.

44 DATE OF AUTHORIZATION FOR ISSUE

These financial statements were authorized for issue on 24th February, 2023 by the Board of Directors of the Company.

45 CORRESPONDING FIGURES

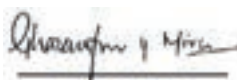

Corresponding figures have been re-arranged, wherever necessary, for the purpose of comparison. However, no significant rearrangements have been made.

46 GENERAL

Figures have been rounded off to the nearest thousand of Rupees, unless otherwise stated.
